4D Barrel Racing Ground Rules

We will follow the NBHA rules and guidelines for this barrel race. You may carry over times to the youth and senior divisions from the Open Division.

Barrels will be tractor raked after every 5 runs during the event. We will have a full arena rake at every 50 runs. Turn outs will not change the draw. All positions will be drawn by the computer. Late entries will run at the bottom of the draw. Dress code (hat, long sleeve shirt, pants and boots) will be enforced. Please strap those hats on as there will be a \$5.00 hat fine in force. Maximum of three gate calls will be given after which time a contestant will be disqualified. An electric eye will be used for all runs. Should the timer fail to function, a rerun will be given after the event or at the show manager's discretion. There will be no reruns given if a horse falls. Knocking over a barrel will result in a no time. A horse may not change draw positions. Show management will settle any and all disputes. (Note—a tipped barrel will be a +5 in the team championship tally only for the awards — it will not disqualify the team but will take you out of the money in the race.)

Target Race

You can enter on all of your horses or just one. We will take your runs from Saturday and Sunday and the person who has the two closest runs will win the Cactus Trophy Saddle. Awards down 8 places will be given out.
