For purposes of this ground rule, whether a contestant gives an honest effort will be determined as follows:

Riding Events: In the riding events, a contestant who fails to ride, using appropriate equipment, his horse or bull out of the chute (except in the case of a chute stalling animal or unless the Pro Officials rule the contestant was fouled coming out of the chute) shall automatically be deemed not to have given an honest effort. In making this determination, PRCA Judges should consider whether the contestant has made a good faith effort to complete his ride.

Tie Down Roping, Steer Wrestling, and Team Roping: In the timed events, a contestant who fails to ride, using appropriate equipment, his horse across the score line (unless the PRCA Judges rule he was fouled leaving the box) shall automatically be deemed not to have given an honest effort. Once the contestant has ridden his horse across the score line, it is the sole responsibility of the PRCA Judges to determine whether a contestant gives an honest effort. In making this determination, PRCA Judges should consider whether the contestant has made a good faith effort to successfully complete the event and record a time.

Barrel Race: In the barrel race, a contestant who fails to ride, using appropriate equipment, her horse through the electric eye (unless the PRCA Judges rule the contestant's horse refuses beyond the contestant's control) shall automatically be deemed not to have given an honest effort. Once the contestant has ridden her horse through the electric eyes, it is the sole responsibility of the PRCA Judges to determine whether a contestant gives an honest effort. In making this determination, PRCA Judges should consider whether the contestant has made a good faith effort to successfully complete the event and record a time.
