11. RIDING EVENTS

- A. Two judges will be used to score each ride.
- B. Stock selection: Stock for the CHAMPIONSHIPS will be selected by each Event Representative, subject to the final approval of the Director of Rodeo Administration and the Production Manager.
- C. If pens are not available by the designated draw time, pens will be set by the Director of Rodeo Administration, the Production Manager, or their appointed representatives. Pens must be set to have a minimum of 4 animals with the same delivery designation.
- D. No bareback or saddle bronc with a history of having to be pulled out of the chute will be available for the CHAMPIONSHIPS.
- E. All riding event livestock selected for CHAMPIONSHIPS must be bucked or in the re-rides at least once at the CHAMPIONSHIPS with the exception of those animals which may be injured or sick, provided livestock selection procedure remains the same as is currently being used.
- F. If a contestant is not ready when called, Chute Boss, in agreement with the Officials, or the Officials may report contestant. The fine will be \$250 for first offense, that fine progressively doubling with each subsequent offense. Likewise, if a Stock Contractor or Stock Contractor's flankman is not ready when called, Chute Boss, in agreement with the Officials, or the judge may fine the Stock Contractor \$250 for the first offense, that fine progressively doubling with each subsequent offense. For clarification, this shall be called by and enforced by the judges. For purposes of these Ground Rules, "ready when called" shall be defined as:

For contestants, the definition of "ready when called" shall be:

Bareback Riding: Contestant must be over horse with hand in rigging when previous horse leaves the arena. If a contestant has a fair opportunity to compete and does not call for his competition animal, delaying the production of the rodeo, the same ruling will apply.

Saddle Bronc Riding: Contestant must have horse cinched (front & rear) with rein measured, and be in the chute, mounting the horse when the previous horse leaves the arena. If a contestant has a fair opportunity to compete and does not call for his competition animal, delaying the production of the rodeo, the same ruling will apply.

Bull Riding: Contestant must be pulling rope when previous bull leaves the arena. If a contestant has a fair opportunity to compete and does not call for his competition animal, delaying the production of the rodeo, the same ruling will apply.

- G. The Chute Boss has the authority to assign a flankman in the absence of the livestock owner or his designated flankman.
- H. A contestant may compete on the same animal in the semifinals or the finals that he competed on in the 1st go-round.
- I. Should an animal refuse to be loaded into the chute, thus putting the production in jeopardy, the Livestock Superintendent can declare that animal unruly and dismiss it from that performance. In that case, the contestant with that animal drawn will be given a re-ride.
- J. The final decision regarding if, when and/or how an animal is tied in belongs solely to the Riding Event Chute Boss.
- K. The length of the flank latigo on horse flanks shall be no longer than nine feet (9'). Failure to adhere to this shall result in the stock contractor being fined \$100 for the first offense, with that fine doubling progressively for each offense thereafter.
- L. Unruly or unmanageable animals that endanger CHAMPIONSHIPS personnel, contestants, or spectators, or that disrupt the production of the CHAMPIONSHIPS, may be disqualified by the Officials from further use.
- M. Once pens have been set in a go-round, there will be no changing of those pens unless the changes conform with the CHAMPIONSHIPS Ground Rules. Any changes on delivery must be by mutual agreement of a Riding Event Representative, livestock owner, or his representative, and the Chute Boss.
- N. If a drawn animal is turned out for any reason, that animal will become a part of the re-ride pen for that performance and, if necessary to use, will be the first re-ride in the re-ride order. In the semi-finals or finals, if the next highest qualifier is advanced because of a doctor release by a qualifier, that replacement qualifier will take the animal originally drawn by the qualifier.
