

For Immediate Release
May 25, 2012

Murfreesboro, TN -After much consideration, the Cuttin Up Radio's proposed 2012 Lifestyles of The West Grand Expo & Rodeo Event, has been canceled for 2012.

While potential vendors and participants, including sponsors and volunteers expressed strong interest, careful analysis revealed that to produce the event properly and in a manner consistent with our professional standards, the potential revenue would not be substantially more than the probable expense, and would not allow us to fulfill our purpose to give back to our communities in an extraordinary manner.

Cuttin Up Radio appreciates everyone who has stepped forward to support the Lifestyles of the West Grand Expo & Rodeo, particularly volunteers and sponsors. It is our hope to work diligently over the next few months to bring the best possible event to Murfreesboro, TN. in 2013.
