OPEN 4D BARREL RACING GROUND RULES

Pre-Entries need to be postmarked by Friday, April 20, 2012. Late Entries accepted with a \$10/Horse/Entry Fee and All on-site entries are **CASH ONLY!**

The Open 4D barrel races will be run in 4D Format with 0.5 seconds splits between divisions.

Friday/Saturday/Sunday Payoff will be based on the following percentage breakdowns: 1D-35%; 2D-30%; 3D-20%; 4D-15%. (Percentage apply to entry fee and added money.) 75% of your total entry fees will be paid out after \$1 NWBRA Fee. Saturday/Sunday a \$10 prize round fee is held out. We will pay down in each division to where the last place paid will be approximately your entry fee.

Please note there will be no carry over times to any division. If you enter, you must make your run.

If you have prepaid for a time only, please pick up your tickets at the secretary's office the day of the event. Time Only Blocks will be available both Friday and Saturday. The blocks will allow 5 horses in the arena for 5 minutes with the barrels. No other horses will be allowed in the arena during this time. Due to time, there will be no time onlys or time

blocks available on Sunday.

Barrels will be tractor raked after every 5 runs. Turn outs will not change the draw. All positions will be drawn. Late entries will run at the bottom. WPRA Dress code will be enforced (Long sleeve shirt, boots, **WESTERN COWBOY HAT REQUIRED**).

Maximum of three gate calls will be given after which time a contestant will be disqualified. An electric eye will be used for all runs. Should the timer fail to function, a rerun will be given after the event or at the show manager's discretion. There will be no reruns given if a horse falls. Knocking over a barrel will result in a no time. A horse may not change draw positions. Show management will settle any and all disputes.

The top 20 percent in the Saturday and Sunday Open 4D barrel races will be eligible to compete in the prize round. There will be a minimum number of qualifiers in each division based on total number of entries. Your fastest time over the two days will be used to qualify you for the prize round and must enter both days prior to entry closing the first day of the event to be eligible. The same horse used to qualify must be run in the prize round. Each contestant goes into the prize round with a clean slate. All runs will receive a time in the prize round with tipped barrels resulting in a 5 second penalty per barrel tipped. Any turnout will be rolled to the bottom of their division and placed based on their qualifying times after all prize round times. The prize round is NOT 4D, you will remain in your qualification division. Winners of the 1D, 2D, 3D and 4D divisions will draw a number to determine selection of prizes. (So everyone has an equal chance of winning!) All ties for prizes will be decided by a flip of a coin or drawn number.
