

RV Hookups are done with the RSLEC not the producers

For the RV's please add our main phone number (775-688-5752) and my direct line (775-335-8901) for people to call and reserve RV spaces. We do not assign space numbers ahead of time unless it's for show staff and you need them to be in a certain area for convenience or what-not. Our FULL hookups are water, electricity, (20, 30, & 50amp service at each space), and sewer. We also have a dump station located on-site free of charge to use for our guests. Our PARTIAL hookups are water and 30amp electricity ONLY. For your event, we have 67 FULL hookup spaces and 22 PARTIAL hookup spaces available. We accept credit card, money order, and cashier check payments, NO personal checks of any kind. We prefer to receive the application back via email, (jess.aguas@renoevents.com) mail, (1350 N Wells Ave. Reno, NV 89512) or fax (775-688-5763). Guests are given 2 weeks from the date they make the reservation to complete and return their application to me with full payment at which time secures their space.

Jess Aguas

Administrative Assistant, ASM Global | Reno-Sparks

Stalls are reserved with the producers

Stall Reservations - 775-742-0293

\$50 for the weekend Friday & Saturday night or \$35 for one night
