Rules for the Casino Cash:

Be a 21 and get 21. That's \$2,100 to the Casino Cash winner. Rules are simple: Casino cash will be awarded to the horse/ rider team whose digits in their time, either Fri, Sat or Sun's time equals "21".

(18.192 = 21). Ties will be broken by a run off. If no 21's in the run off, Casino Cash will be awarded to the next closest # like a 20. All ties in the run off will be broken by the fastest last 3 digits of the run off time.

Winners must be present to accept all prizes. A hit barrel or a penalty will be counted as a no time and will not count towards Casino Cash. It is the contestants responsibility to check the results. Once the run off has started NO ONE will be allowed to enter the run off.

Reserve stalls on pre-entry, then pay the facility directly upon arrival. Please indicate if you want an outdoor stall. Dry camping and portable pens are encouraged, with a \$10 clean up fee. You can pre-enter by email, text, phone call or mail your entry. No matter how you enter, please make sure I respond, if I don't respond, I didn't get it. New draw each day, late entries will be at the end of each day, draws posted July 30th. All entries received as of 10:00 pm July 29th will be included in the draws, all entries after that will run late. Absolutely no refunds after the draw is posted. 70% of the entry fee and 100% of the added money will be paid out. Added money divided evenly between D's.
