30 – Hour Replacement Policy

A release or a notified turnout can be replaced by an alternate from a list of contestants that were drawn out due to qualifications, as long as the notification is made through PROCOM at least 30 hours prior to the scheduled performance (or slack) in which the contestant is being replaced. Notifications made after the “30 -hour” deadline will not be replaced and notifications on record with PROCOM at the 30-hour deadline will be final. Replacements must be made prior to the first go-round of competition.

If a contestant is replaced using the 30-hour replacement, she will not be responsible for paying her entry fees but is still responsible for turnout fees/release fees.

If the contestant is not replaced, she is still responsible for entry fees as well as turnout fees.
