## **Limited Entry Rodeo Policy**

If a rodeo is seeking limits but does not meet the requirements, they must have a qualifier prior to the rodeo to allow all WPROA members an equal chance to compete. Qualifier guidelines are in a separate document.

If a rodeo is still seeking approval but does not meet the requirements and cannot have a qualifier of any kind, they may petition the WPROA Board of Directors to consider their application. (Examples of consideration: parking restrictions, has the rodeo filled in the past, etc.) In addition, if a rodeo who does meet the requirements but wishes to set its own fill order, they must state their fill order and reasoning to be considered by the BOD.
